

Highmark BCBS has two important client Covid-19 resources to share.

1. A new toolkit for employers that shares lots of important information about the different existing COVID-19 vaccines. The digital toolkit contains the following elements:
 - Covid-19 Vaccine Guidebook
 - Covid-19 Vaccine Fact Sheet
 - Workplace Signage
 - Provider videos discussing Covid-19 related topics
 - Various Highmark resources links
 - Additional links to government sources

2. A fully updated Covid-19 Back To School Toolkit. We have reviewed and updated every facet of this toolkit to provide our school segment clients with the most up to date information that we have that can help increase safety in schools this year. It includes:
 - Updated Teacher's Guide
 - New and updated school signs
 - Lots of links to helpful sources of information to help teachers and school administrators

Where are they located?

1. Both the Employer Vaccine and Back to School Toolkits are located on the new employer page found within [Highmark.com](https://www.highmark.com) site.
